

Miami County YMCA- 2019 Indoor Triathlon

Brave the event...not the elements!

WHEN: Saturday, March 30, 2019

WHERE: Robinson Branch

COST: \$25 Members, \$40 Non-members- Registration deadline: Monday, March 25th

Course Information: Four participants will race at a time in each heat. All times will be calculated and results will be posted and emailed to all participants by Monday, April 1. There will be a **10 minute** transition between swimming and biking, and a **5 minute** transition between biking and running.

Swim- 15 minutes

The Robinson Branch pool will have 4, 25-yard lanes designated to the race, with one athlete per race lane. Each lap lane will have a lap timer. Average water temperature is 80-82 degrees.

Bike- 20 minutes

Keiser spin bikes will be used. You can adjust the bike for a comfortable fit. One side of the pedal is a standard platform with toe cages. The other side of the pedal is compatible with SPD-style bike cleats. You will adjust the intensity level (red gear lever) and cadence. A volunteer will check your time when you start and finish, and distance will be recorded using "Keiser miles." This distance is consistent for everyone, but tends to be about 30% faster than on upright or outdoor bikes.

Run- 15 minutes

Precor treadmills will be used to track the time and miles of each triathlete.
